Support Local Businesses

Keep Prince George's County enterprising by supporting local and new businesses. The county hosts an array of shops, restaurants and entertainment venues. Choose convenience and patronize businesses that are a few-minutes drive from your home. Let's keep the county thriving.

For a list of local businesses, visit, [Prince George's County business directory](#)

Pick up After the Party

When entertaining, remember to pick up the trash that your party guests may leave behind. Don't inconvenience your neighbors by having them pick up your trash. Be respectful and courteous and check your yard and your neighbor's yard after your function has ended.

Secure Your Home the Smart Way
Take measures to deter crime in the neighborhood, lessen your chances of becoming a crime victim and increase the chances of criminals being caught by turning your home into a smart home.

Time to Start Spring Break Planning
Here are a few helpful links to help with spring break planning:

- Volunteer for a [nonprofit](#)
- Volunteer for [Habitat for Humanity](#)

download the required app to view your home remotely or video record activity on your property.

Do the research and check with local retailers or service providers to determine what best meets your needs.

call 301-699-2255.

- Volunteer for the HOA, send an email to info@woodmorewest.com.
